

Books and writings

One way to find inspiration and learn about hostmanship is to read our books and literature. The books are important complements to the discourses, dialogues and courses and also make perfect gifts for supervisors and workers alike. The books are written by Jan Gunnarsson and Olle Blohm.

HOSTMANSHIP – THE ART OF MAKING PEOPLE FEEL WELCOME

A fun and memorable book filled with inspiring stories lifted from many different situations and work environments.

THE WELCOMING LEADERSHIP is an inspiring book in which we follow how a management team are initiated into the beautiful art of hostmanship. A memorable book that brings out issues and challenges facing an organization that wants to develop its hostmanship. Only in Swedish 2010.
